

BiMPay's Benefits: What's In It For You

They're Always Available

Instant payment systems operate 24/7, 365 days a year, so you can always access your money.

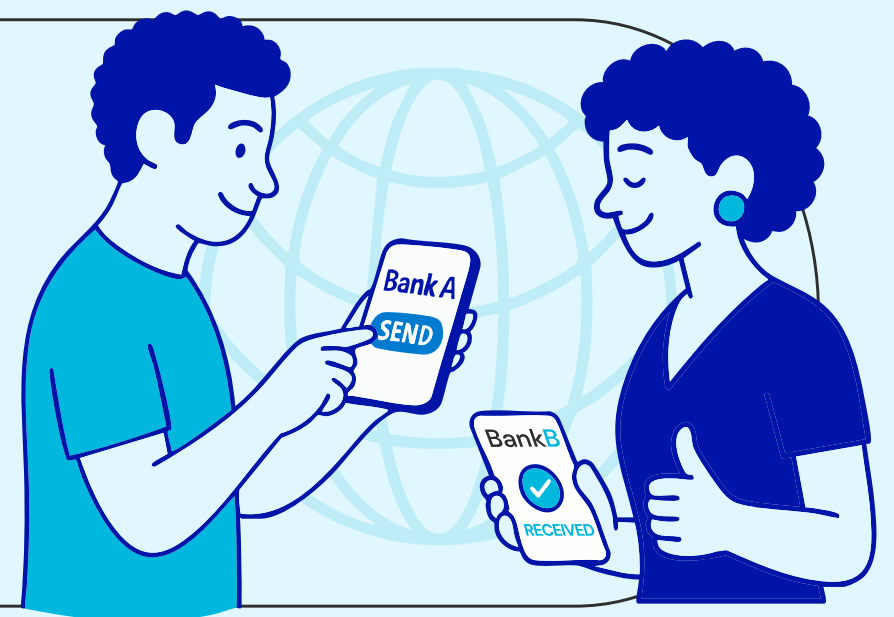

You Get Your Money Immediately

Instant payment transactions are completed in seconds and you can use the money as soon as you receive it.

Different Banks? No Bank? No Problem!

You can send and receive money to and from anyone in Barbados easily, regardless of who they bank with or if they have a bank account at all.

So Many Uses

Instant payments allow transactions between individuals, businesses, and Government. That means you can send money to friends, pay for groceries, renew your licence, or get a tax refund.

They're Very Secure

They use tools like multifactor authentication, encryption, and fraud detection to keep your money safe. Plus, you get notified every time money leaves or comes to your account.

No Need to Share Your Account Details

You can use mobile numbers, email addresses or QR codes rather than having to share sensitive banking information.
